For the first time at one of our events we are calling on you all to don fancy dress for the occasion. All of the Trail Outlaws on the day volunteering and the Race Organisers will be dressed in full Halloween garb, scary clowns galore.

We will have prizes and trophies for the best costumes on the day.

And as an added bonus, if you

RACE PARKING

We do not have any dedicated parking for this event. However the event takes place just off Durham Way in Peterlee which is attached to a very big housing estate with plenty of unrestricted on road parking.

However please take the following into consideration when parking :

- Do NOT park at the Castle Eden Dene small car park area as this is needed for recreational users of the dene.
- Do NOT Park on the verge on Durham Way.
- Do NOT block any residents driveways or access when parking in the streets and road on the estate.
- Please park as if you live in the area yourself and be respectful to the areas residents when doing so.

If we fail to do the above it will jeopardise any future running's of an event in this area.

PRESENTATION

Winner's presentations and age category presentations will take place at event HQ at approx. 1600.

Our event volunteers will be deciding on the winner of the Fancy Dress completion that will be awarded as above also, so when your on the course or at registration don't be shy !

RACE NUMBERS / WRIST BANDS

Please note that race numbers and wrist bands will be given out at race registration on the day of the race.

You **MUST** show valid photo ID before a number can be given to a runner.

Fetch appropriate footwear for the race conditions.

RACE DAY SHOP

The Trail Outlaws Trading post will be located at race registration should you wish purchase extra merchandise Trail Outlaws Hoodies buffs, and long sleeve tops.

If you wish to purchase any merchandise please bring cash on the day.

RACE ROUTE

The route will be fully marshalled, signed and flagged for the full distance of the event. However please keep those ghoulish eyes peeled, when getting to junctions or turnings in the trail.

We would recommend wearing trail shoes on this route.

FIRST AID

First Aid cover at the event is being provided by AED Medical.

There will be First Aid responders and Paramedic located at the event HQ.

Should you get into difficulty on the course please alert another runner or marshal who will be able to pass on any information and alert us for help.

CHECKPOINTS

There will be one CP with water, sweets and hideously dressed marshals at approx. 3 mile.

BAGGAGE DROP

Baggage can be left at the Race HQ area.

But please be aware that we cannot guarantee the safety of any belongings left at the start and we will not be able to hold onto people's car keys or valuables, these are your responsibility.

START / FINISH

The race starts and finishes in the same place, at the top of the dene a few yards from the event HQ.

Upon getting to the finish, you need to have your timing band read by our timing system. We will have volunteers on hand to advise and show you how to do this upon finishing. Please ensure you get your band scanned, as if you don't you will fail to appear on the online results.

Please do not run off presuming that your band and time have been taken, as you will not appear on the results if you have not been scanned.

You will then be able to collect your finisher's medal.
